

Who we are and how we can be useful

Our company is one of the leaders in the Ukrainian market of educational trips abroad.

We have been cooperating with schools and universities around the world for more than 4 years - providing students with language courses, undergraduate and graduate programs.

Our affiliate network includes more than 50 schools, colleges and universities around the country - Ukraine.

We use different advertising channels to attract the most targeted and solvent audience.

Advantages of cooperation with us

Own representative and sales department in Ukraine

We manage customers' requests providing full support to them. This helps to make your work easier.

Proper promotion due to mentality awareness

We are aware of how Ukrainians make decisions, and what is a solid argument for them when choosing university. We are using these knowledge to plan the most effective advertising campaign with a reasonable budget.

The result in the short and long term prospect

We organize large-scale advertising campaigns that are oriented on the recognition and memorization of the university in Ukraine. Due to this, you can get customers both for the current intake and for the next year.
